Oakwood Farmers' Market+ is operated by REAP Trading Limited, which is the trading arm of Roundhay Environmental Action Project (REAP). The market is run entirely by local volunteers. The '+' signifies its focus on sustainability - the market is a plastic bag free zone and the food and produce has mostly travelled less than 30 miles. The market is FARMA accredited - see [www.farma.org.uk](http://www.farma.org.uk)

**Come along to the Oakwood Clock** on any third Saturday morning in the month and meet up with friends and neighbours while sampling produce from our award winning farmers and producers.

For all the latest market news, information about our stallholders and to let us have your ideas and feedback see our website - [www.reap-leeds.org.uk](http://www.reap-leeds.org.uk) - or visit our social media pages on Facebook, Twitter or Instagram.

You can view a mini documentary video about Oakwood Farmers' Market+ by typing <https://youtu.be/cpU52xyLw88> into your internet browser or scan the QR code below.

REAP was set up by Roundhay residents in 2007 as a platform to promote practical local action on carbon reduction and the environment. Visit our website [www.reap-leeds.org.uk](http://www.reap-leeds.org.uk) or email [info@reap-leeds.org.uk](mailto:info@reap-leeds.org.uk) for information about our achievements and how you can get involved. Or come along and meet us on market days at the REAP stall.

2019's leaflet is by Nick Claiden. She works in Glass Sculpture and Painting and has created a 'Glass Sculpture' based on Oakwood Farmers' Market. The Sculpture will be in a sealed bid auction, the proceeds to be shared between a local charity and the artist. She is happy to undertake commissions and her work can be seen at [www.nickclaiden.co.uk](http://www.nickclaiden.co.uk), or alternatively contact her via email [nick@nickclaiden.co.uk](mailto:nick@nickclaiden.co.uk).
