The '+' signifies its focus on sustainability - the market is a plastic bag free zone and the food and produce has mostly travelled less than 30 miles.

Come along to the Oakwood Clock on any third Saturday morning in the month and meet up with friends and neighbours while sampling produce from our award winning farmers and producers.

For all the latest market news, information about our stallholders and to let us have your ideas and feedback see our website - www.reap-leeds.org.uk - or visit our social media pages on Facebook, Twitter or Instagram.
