Oakwood Farmers' Market+ is operated by REAP Trading Limited, which is the trading arm of Roundhay Environmental Action Project (REAP). The market is run entirely by local volunteers. The '+' signifies its focus on sustainability - the market is a plastic bag free zone and the food and produce has mostly travelled less than 30 miles.

Come along to the Oakwood Clock on any third Saturday morning in the month and meet up with friends and neighbours while sampling produce from our award winning farmers and producers - subject to any ongoing Covid restrictions.

For all the latest market news, information about our stallholders and to let us have your ideas and feedback see our website - www.reap-leeds.org.uk - or visit our social media pages on Facebook, Twitter or Instagram.

You can view a mini documentary video about Oakwood Farmers' Market+ by typing <https://youtu.be/cpU52xyLw88> into your internet browser or scan the QR code below.

REAP was set up by Roundhay residents in 2007 as a platform to promote practical local action on carbon reduction and the environment. Visit our website www.reap-leeds.org.uk or email info@reap-leeds.org.uk for information about our achievements and how you can get involved. Or come along and meet us on market days at the REAP stall.

2022's leaflet is a work by Nick Claiden - a Leeds-based artist working in mixed media on paper. This image is a mixture of collage, crayon and acrylic and represents a departure from her previous work. Historically she worked in water colour and in glass but the pandemic has resulted in her exploring different mediums and approaches. You can see examples of her past work at www.nickclaiden.co.uk. She can be contacted directly via nick@nickclaiden.co.uk.

Roundhay Environmental Action Project (REAP) is a company limited by guarantee. Registered in England No. 6415058. Charity No. 113 2380.
REAP Trading Ltd - registration number 7005278 - is a subsidiary of REAP.
